THREE COUNTY PROJECTS APPROVED BY MAINE DCI

Three Oxford County projects totaling \$5,331 have been approved for matching funds under a program sponsored by the Maine Dept. of Commerce and Industry.

The Greater Bethel Chamber of Commerce, in the process of rejuvenation, has been allocated \$1,500 for a week-long Winter Carnival promotion in February. Eight committees have been formed to manage the social and athletic events during the event and a substantial advertising program planned.

Oxford Hills Chamber of Commerce, Norway, was awarded \$600 for reprinting new brochures (Part I and II) plus mailing folders for the brochures with the DISCOVER AMERICA logo.

A total of \$600 has been earmarked for the Greater Rumford Chamber of Commerce to help defray the cost of a 20-page brochure (folding type) designed to promote Western Maine's Vacationland with emphasis on the four seasons. The multi-color publication will be distributed through the information booth and mailed to industry and tourist-oriented businesses. GROC's objectives include promoting the Greater Rumford area, existing industry; encouraging potential industry; and presenting the whole area as a good place to vacation, live and work.

TELSTAR'S REBEL GRIDDERS 29-14 VICTORS LAST FRIDAY AT LIVERMORE FALLS

—To Host Mexico in Saturday's Season-Enders

Visiting Telstar handed Livermore Falls a 29-14 football defeat in a well-attended Mountain Valley Conference rivalry last Friday night, moving out to a 14-point first period advantage. Livermore got back in the running but the Andies were down 14-8 at the half and 21-8 after three periods.

Paul Farrar topped off a 60 yard Telstar march to the opening touchdown and kicked the point, adding a second conversion after a Levi Brown counter on a short run in the same first quarter. The visitors recovered a fumble at the Andies 28 yard line to set up this score.

Livermore recovered with a 60 yard second period drive ending with Rick Shaffer's 11 yard option pass to Howie Labbe. Bill Kennedy's conversion toss to Denis Couture put the Andies back within reach but the next score was Telstar's in the third round as Farrar slipped Livermore punt coverage and ran 60 yards down the sideline on a kick return. He kicked the point for a 13 point margin.

Early in the fourth stanza Livermore covered 55 yards in an advance to a tally on Dave Lovewell's two-yard drive.

Another drive was short on the points after.

Livermore later got back in business but fumbled at its own 30 and Telstar chalked up a fourth TD in the closing moments. Quarterback Duffy Ellsworth ran it over from inside the five yard line and passed to Farrar for a two-point pick-up on the conversion.

The defeat was the second for Livermore Falls, which ends its season against Jay Friday night. Telstar, which also has lost two, winds up by entertaining Mexico at 1:30 Saturday afternoon.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Highway Department is in the process of stockpiling the winter sand supply. They have also completed the drainage and paving project on Clark Street.

At a recent meeting, the Selectmen decided to inform the Department of Environmental Protection they felt to meet the present regulations for solid waste disposal would place an unbearable financial burden upon the taxpayers. They feel, by improving the present facility we would not be contributing to any significant degree to either air or water pollution. It is recognized there will have to be much stricter rules for dump us. An attendant will be necessary with hours posted the public can use the area.

Our local Planning Board has spent many hours in an attempt to find a solution to the problem. Their research has indicated expenditures in the area of \$200,000 to implement a program of any kind to dispose of rubbish. The annual cost beyond is very hard to determine. The only back-ground available is sources that deal in averages. We know with the sparse population and large land areas we have, the average per person will not be valid.

A representative of the Food Stamp Program will be in the Town Office Nov. 7, from 9:00 a. m. to 1:00 p. m.

There will be no overnight parking after Nov. 1.

Elwyn N. Dickey

"CITIZEN" TO COST 15 CENTS —AD RATES TO ADVANCE

Effective with the issue of Nov. 7, the single copy price of The Citizen will be 15 cents. Annual subscription rates will be: \$3.25 in Maine, New Hampshire, Vermont, and Massachusetts; \$6.25 elsewhere (with foreign postage, where necessary, extra).

New rates for advertising will also be in effect. The charge for page one advertisements will be \$1.75 per single column inch each week. The display rates for other pages will be \$1.40 per column inch, with advertisers taking space at least four weeks in succession being entitled to a rate of \$1.12 an inch.

New rates for classified advertising are on page five.
A more than 30% increase in cost of paper available for publishing and increasing cost of second class mailing are factors in the price increases.

Rev. Barbara Huse, Pastor
Bethel Church of the Nazarene

"Ding-Dong! Ding-Dong!" Who is at the door? "Trick or Treat?" We are going to hear these words many times this week. We answer the doorbell many times on Halloween and then hear those little voices say "Trick or Treat?" They come to our door dressed in all kinds of costumes and disguises. We cannot imagine any person being so cruel as to put medicine, sharp objects and the like in their treats. This is cruelty of the very first order. But let us think a minute now. These same youngsters are facing a life every day that offers them a "Trick or Treat." You know it is pretty well up to us what the answer will be. It is your choice as parents and eventually their own choice. Which will be it? Now open your Bible and turn to Joshua 24:15. "Choose you this day whom ye will serve . . . as for me and my house, we will serve the Lord."

STATE LEGISLATOR VISITS GREENWOOD

Representative R. Donald Twitchell, Norway (center), with Greenwood Third Selectman David Holt (left), and First Selectman Herbert Dunham, as the legislator met informally with the Greenwood board of selectmen on Saturday, Oct. 26. Some of the issues discussed were the possibility of securing funds for improvements on the Greenwood road with a meeting scheduled with a member of the State Highway Department.

Also present was Barbara Wilson, a member of the newly-formed Greenwood Beach Committee. Representative Twitchell reported that monies through the State Parks Department is available if the Beach Committee decides to ask for it. He has also scheduled a meeting with Timothy Wilson, State Civil Defense Director, on citizens' concern for fuel problems. Also discussed was the possibility of securing funds for the Greenwood Fire Department.

This year is the first time that Representative Twitchell (House District 68) has had Greenwood in his area of representation. He is a former town manager of Norway and has also served as selectman for Norway. He is also the representative for the unorganized territories of Milton, Mason and Albany.

BETHEL DEMOCRATS MEET—HEAR OF HOUSE CANDIDATE'S ACTIVITIES

Bethel Democrats met Sunday evening, Oct. 27, at the home of Legislative candidate from District 68, Emily Saunders. Mrs. Saunders brought the group up to date on her recent and planned campaign activities. On Sunday afternoon, Mrs. Saunders met with a group of teachers from local schools at the Kelly's in Bethel. As she has been endorsed by the MTA's political action group, Mrs. Saunders was grateful for this opportunity to learn of issues of concern to educators, and in receiving their reports of the effects of recent legislative action on the local district.

On Oct. 30, there will be a gathering at the home of Mrs. Murray Thurston in Mayville for the Mayville-Sunday River neighborhood, allowing Mrs. Saunders the opportunity to visit with them. Next Sunday, Nov. 3, Mrs. Saunders and Mrs. Celia Gorman will attend the annual Jefferson-Jackson Day dinner in Lewiston. During these last days prior to the election, Mrs. Saunders will continue her effort to meet the voters of the district as she calls door-to-door.

TELSTAR JAYVEES END SEASON WITH 22-4 WIN OVER LIVERMORE FALLS

Telstar High's football jayvees completed their schedule with a 22-6 triumph over Livermore Falls in Monday rivalry, bringing the final Telstar record to 4-3-1. Telstar rushed 297 yards in the ground exchanges with Michael Dunn responsible for 134 and Peter Bean another 117.

Dunn traveled 117 yards on the game's first scoring play in the second quarter but Telstar missed on the extra points by rush and was immediately caught in a tie as the visitors returned the suc-

ceeding kick-off to its own 37 and sent Richie Allen 63 yards off tackle for 6-6. A pass failed on the conversion for 6-6 at the half.

In the third round Dunn broke loose on a counter play for 40 yards and a score, Bean rushing the points after for 14-6, and before the end of the third period Telstar received a punt and sniped Bean into the open for a 49-yard scrimmage play for the final touchdown. Quarterback B. G. Flynn rushed the extra points.

Flynn at linebacker and Alan Lowe and Andy Evans at the tackles were powers in the Telstar defense.

TELSTAR SECOND IN "B" X-COUNTRY REGIONALS

The Andies of Livermore Falls took Class "B" honors in the Cross Country Regionals held at Colby College last Friday. They wound up with 49 team points in doing so, with Telstar Regional High School coming in second at 68 points.

Mark Wagner, a fine runner all year long for the Andies, sparked the big victory as he came in second. Teammate Jeff Meserve also chipped in with a sixth-place finish.

Eric Dombkowski placed fourth for the Telstar Rebels, who, along with Livermore Falls, have qualified for the State Meet next Saturday at Colby.

Letters to the Editor

To the Editor:
I would like to share with the voters of District 63 a few thoughts that come to mind as Election Day draws near.

I have attempted to meet each of you in the district during the past few months and in doing this, I have learned of your concerns. Because of this, I would like to give you an idea of what I hope to do for you if elected.

First, I will keep you in the picture by regularly providing material to the local papers concerning matters before the House of Representatives, as well as information on my voting record. I will actively seek your opinions on upcoming issues through telephone contacts and visits and through my present district campaign coordinators. I feel, that, in the past, deliberations in Augusta have remained a mystery to voters in the district.

Second I will act as YOUR representative in supporting measures which will improve the quality of life for residents of the 63rd District. I expect to support such specific ideas as a review of the role of the Maine Milk Comm. in order to seek lower milk prices, the advertising of retail drug prices to encourage competition in these products, economic relief for the elderly and those on fixed incomes, meaningful job training programs, enforcement of water-quality standards, regulations concerning the flame retardancy of manufactured clothing for both children and adults, the development of realistic energy policies for the state including the study of greater use of wood as a fuel and of wind, solar and tidal power as long-range goals, the encouragement of non-polluting industries in the state, and the development of alternative transportation networks, possibly revival of the rail system or extension of busses.

Finally, I pledge an open mind on each and every issue and above all, unlimited hours of hard work. I believe that government at the state level is responsible for many decisions affecting the lives of Maine citizens, and I hope that YOU, the voters of District 63, will allow me the opportunity of serving you in the House of Representatives.

Sincerely,
Emily Saunders

To the Editor:
Please permit me to comment briefly on two items that appeared in your issue of Oct. 17, 1974.

The first appeared on page two and depicted a young lady pulling a rickshaw. It appears from your description that in New York City, "Girls in polka dot dresses and painted faces aren't going through a sorority initiation. They're in business for real." Apparently that

SCHOOL LUNCH MENU

S. A. D. 44—WEEK OF NOV. 4

Monday: Tomato soup, crackers, tuna fish sandwich, cheese slices, salad, frosted cake, milk.
Tuesday: Hamburg deep dish pie, beefs, fruit, juice, bread and butter, milk.

Wednesday: Hamburg cheese pizza, green beans, mixed desserts, bread and butter, milk.

Thursday: California chicken, mashed potato, peas and carrots, cookies, bread and butter, milk.

Friday: Baked beans, hot dogs, salad, fruit, hot cinnamon rolls, and butter, milk.

business is the introduction of the rickshaw as a means of travel. Despite the fact that I read "The New York Times" and "Daily News" every morning, I learned about this latest mode of travel in New York City from your newspaper. This leads me to believe that I shall have to continue to read the Bethel Citizen, if I wish to keep abreast of significant developments in New York City. The rickshaw will probably be confined to the narrow streets of New York City's Chinatown. The buses and countless automobiles are hardly likely to give way to girls in polka dot dresses and painted faces" pulling a two wheeled contraption traveling at the rate of five miles an hour. I do thank you for updating me.

The second item that caught my attention (page 5) was titled "Mrs. Morton Has Painting At Bridgton Show." In the course of the article there appeared the following sentence, "This which is juried, (emphasis mine), exhibits the works of leading New England artists." I have never seen or heard the word jury used as a verb. "The Reader's Digest Great Encyclopedia Dictionary" lists it as a noun and adjective, not as a verb. Am I about to experience another learning adventure?

You will recall that several years ago I questioned in your columns the use of the word "contact" as a verb. Like a bolt out of the blue appeared the knowledgeable John Tobbets, to point out that "contact" as a verb had indeed obtained the blessings of the cognoscence and had entered the realm of the acceptable. My mistake at that time of course was to rely on an outdated dictionary. Now my reliance is on one dated 1969. Has anything occurred in the intervening five years to transplant "jury" from the area of noun and adjective to that of verb? Is "jury" like "contact" a noun, adjective and verb? It is never too late to learn?

Sincerely yours,
Mark E. Cymrot

Upton, Maine
Oct. 30, 1974

To the Editor:
At the special town meeting at Upton last night it was voted not to pay for the new school bus that had been delivered to the town and that was in service.

A need for the bus had been clearly demonstrated. But because some people wanted to, "get their pound of flesh" it failed to be approved. These people were exercising their "hate Judkins and his conservatism" philosophy. In the meantime, they didn't stop to realize they were hurting the children, the superintendent and the good name of the town. While this matter may be resolved to the good of the town and children in the near future, it will leave a scar on their personal reputation that won't be erased so soon.

Sincerely yours,
Fred S. Judkins

We were glad to read about the new boat ramp and parking facility at Lake Christopher but the second boat ramp and parking facility at Moose Pond it at North Paris and I believe we should have credit for it, especially as we listened to the bulldozers day and night for two weeks. It is located almost in my back yard, so I ought to know.

CO-OP CORNER

Pamela Coolidge

Sandra Kendall, a senior at Telstar Regional High School, is employed by Roger Conant, at the Casco Bank in Bethel, through the Co-Op Program.

Her career objective is to become an accountant, and through her Co-Op placement at the Bank, she will gain knowledge and experience in banking and accounting functions. Although Sandra spends much of her time filling checks, sending out statements and operating the encoder, she is looking forward to beginning teller operations. Sandra relates she is getting a great deal of experience in working with people, and believes this will help her in her eventual occupation.

As a Co-Op student, Miss Kendall attends a related course at school. Subjects discussed in the related course help prepare students for employment and adult responsibilities. Sandra finds she is particularly interested in discussing taxes.

With the time she has left following her school work and employment, Sandra enjoys biking, swimming and skiing. She also belongs to the school library club and is a majorette with the marching band.

Sandra would like to attend a business college after graduation and major in accounting.

A life long resident of the district, Sandra is the daughter of Mr. and Mrs. Ronald Kendall of Bethel.

D. C. I. SAYS SUMMER TOURIST
BETTER THAN YEAR AGOPromotional Advertising Cost
Increased Eightfold

All indications are that Maine experienced as good if not a better summer tourist season than last year due largely to intensified promotional and advertising efforts by State and regional development agencies, local chambers of commerce and private interests in the vacation-travel industry.

"There's no question in my mind that these stepped-up efforts and the increased outlay for advertising forestalled the anticipated effects of the energy shortage on our tourist industry," said Roger N. Woodcock, promotion director for the Maine Department of Commerce and Industry.

"The DCI spent a total of \$127,000 on in-state and out-of-state tourist advertising for the spring and summer of 1974. This is nearly eight times the amount the Department spent in 1973."

Sales figures for the months of June and July were up \$41.3-million over the corresponding months of 1973. Lodging and restaurant sales were up \$5.4-million higher for these same two months last year.

"We are not basing the success of our summer tourist season on the months of June and July alone," said Woodcock. "The results we have been getting from the Maine Publicity Bureau, the Maine Innkeepers Association and the Maine Travel Service for resort areas all point to August as the best month for far as tourist volume and revenue are concerned."

He added that actual figures for August would not be available for several weeks.

Woodcock submitted the following breakdown of advertising expenditures for this past spring and summer: \$65,000 for radio, TV and newspaper advertising (part of a \$100,000 appropriation by the Special Session of the 106th Legislature for a season vacation-travel promotion); a \$25,000 grant from the New England Regional Commission for out-of-state and Canadian advertising; \$10,000 of a \$30,000 matching fund grant from the United States Travel Service for Canadian advertising; and \$27,500 for the DCI's advertising and promotional budget.

Present plans call for a greatly expanded winter program which will more than double the DCI's mail advertising expenditures according to Woodcock.

In addition to the DCI's summer advertising, a cooperative venture with the New England Regional Commission and the New England Council consisted of full-page ads in the Sunday Travel editions of the New York Times and the New York Daily News aimed at attracting the papers' readership of more than 15 million to visit New England for a day, a week, or more.

A recent meeting of the New England Council's Travel Development Committee it was reported the campaign had resulted in a decrease in tourism throughout the state region during the time the ads were run. The New England Vacation Center in New York City reported a tremendous increase in volume during July, August and early September.

The campaign was geared to elicit an immediate response by newspaper readers who could be expected to make a decision and act to the region rather than for information. The response to the states were gratifying. New York Daily News travel ads in New York City reported a decrease in New England inquiries during the campaign.

OXFORD COUNTY FOOD STAMP
PROGRAM IS GOING CONCERN
SAYS SUPERVISOR

"The Oxford County Food Stamp Program is definitely a going concern," states Ms. Joanne Moody, Supervisor of the Franklin and Oxford County Food Stamp Program for the Bureau of Social Welfare. From its beginning in July, with approximately 1800 households receiving Donated Commodities and potentially recipients of Food Stamps, the October mailing of ATP cards went to almost 2,400 households, two-thirds of them in Oxford County. "It is good to know that so many additional families are becoming aware of the program and taking advantage of it. It helps the communities too, as it makes it possible for more families to buy food in local stores, despite tightening budgets."

The only disadvantage of this welcome response is that, with additional staff still to come, occasionally applicants might not be able to be seen right away. It doesn't happen often, but people are advised to call for an appointment if they can, before coming in. If an interview cannot be set up immediately, the applicant will be contacted as soon as possible.

The main office of the Food Stamp Program is in Rumford, at

the new Department of Health and Welfare office on River Street. Applications can be made on Mondays and Fridays from 9:00 to 4:00. Staff is also available throughout the week to answer any questions about the program. The local number is 364-7884; the toll-free, long distance number is 1-800-482-0702.

For people living outside the Rumford area, satellite offices and schedules are as follows: Every Tuesday, applications for Food Stamps can be made in South Paris, in the Grand Jury Room of the County Court House from 9:00 to 4:00. On the first Thursday of each month, Food Stamp personnel will be at the United Church of Christ in Lovell, from 9:00 to 12:00; at the North Waterford Church, from 1:00 to 4:00; and at the Bethel Town Office from 9:00 to 1:00. Every second Thursday, applicants can apply at the Porter Town Hall from 9:00 to 4:00; and on third Thursdays, at the Fryeburg Legion Hall from 9:00 to 4:00. Every fourth Thursday, staff will be at the Brownfield Town Office from 9:00 to 12:00 and at the Fryeburg Town Office from 1:00 to 4:00.

Any questions about the program, or problems getting to any of these locations can be answered by calling the Rumford office, at 364-7884 or 1,800-482-0702.

"When aspens sign a golden signature And sumac scrawls a line of living flame, I need no printed calendar to know

Who penned them both . . . October is her name."

—Pauline Crittenden

October has spread her glory with color, wild, and undisciplined. The golden leaves swept down and spilled on the dying-brown autumn grass. As they dropped they either resembled slow drops of red rain or golden birds floating over the valley.

Nights become quiet with stars winking across to eternity and an orange moon sails serenely.

On one afternoon I was poking down a much traveled path enjoying in full autumn's gifts.

The last of some sour apples were hanging to the branch of an old apple tree.

Squirrels with button eyes and bushy tails clung to trunks of oaks sometimes like carved statues as I sat to watch.

The woods were quiet, so quiet, save for my own footfalls as they rustled the leaves.

Looking across and beyond the valley from between the ponds, the beeches and oaks were most outstanding with their browns and red-orange hues. Adding to autumn's canvas, their only time of glory, are the scrub oaks; angular, scraggly, with thick short branches, a picture in themselves of frost soften hues of gold and wine, brown and russet, tan and purple. In the background always, were the purple-blue hills like the stain of ripe Concord grapes.

On a ledge nearby I lay flat on my stomach, inching as close as I dared to the edge, letting my eyes drink in the waves of the pond, the greens of the pines, and all else spread out below.

Crossing a small brook coming back, the water was rollicking and

Parsonage on Oct. 27. A spiritual reading was read by Kim Whitten and Karen Sauret. The group proceeded to the CEB where they cleaned the Teen Center. The Frazier's have opened a Craft and Hobbies Shop on Congress St., Rumford, next to Sears. Christine Frazier opens at 10:00 a. m. to 6:00 p. m. but on Friday closes at 9:00 p. m.

Six camps at Roxbury Pond were broken into recently.

clear. Every pebble on the bottom was magnified and occasionally a leaf-boat floated by.

The trail I had followed was well known to me; then I left it to plunge into the woods. Here it was cool and crunchy and the everlasting hills closed me in briefly, like the hollow of a cup.

Several "upholstered worms", the woolly-bears were out, too, instead of curled up beneath some stone in hibernation.

On the way home I especially noticed the tamaracks shining in the sunlight. These picturesque trees with their golden needles, fragile and dainty, in contrast to their needed cousins come into their own, after hardwood foliage has dropped, adding glow to November.

Dusk falls quickly with spectacular sunsets, flaming high toward the zenith then quickly fade. Ours is truly an autumn-blessed land.

MRS. MARY A. GRINDLE

Mrs. Mary A. Grindle died early Thursday morning, Oct. 24, 1974, at a Rumford hospital where she had been admitted earlier.

She was born at Bethel, Jan. 9, 1893, the daughter of George and Augustine Boothby Bryant. She was married to Hollis Grindle, Jan. 29, 1937, at Bryant Pond.

Surviving besides her husband, are a son, Donald Childs, of West Paris; three daughters, Mrs. Rita Walker, Mechanic Falls, Mrs. Dorothy Beaupre, Bethel, and Mrs. Gloria McCulloch, Cape Elizabeth; eight grandchildren; and several great-grandchildren.

Funeral services were held Saturday afternoon, Oct. 26, from the Greenleaf funeral home. Burial was at the Songo Pond Cemetery.

Bearers were Lawrence Kimball, Donald Cross, Harold Goodwin Jr., and George Ballou.

The following poem was one of several written by Mae Grindle several years ago.

Only a Rose in Bloom
A flower was born in the month of June,
And it raised its face to the sky.
It drank of the rain that fell to earth,
And smiled when the sun sailed by.
The flower that grew and blossomed
Nodded its head and smiled;
Then dropped its petals one by one
And hung its head and died.
That flower we loved was the Rose of June
But its faded and gone too soon.
We will miss it and sigh
When we pass it by
It was only a rose in bloom.
—Mary A. Grindle
